

# THE COUNCIL OF PRIVATE COLLEGES OF AMERICA

**TO BE FOREWARNED**

**IS TO BE**

**FOREARMED!**

**TO BE FOREWARNED**

**IS TO BE**

**FOREARMED!**

We need a fresh **TO BE FOREWARNED IS TO BE FOREARMED** approach as never before. We must be united together to be strong in our stand for what we will be facing now and in the future. These are critical days and we face critical times ahead. Personally, I call on each of our CPCA and FCPC faith based institutions to **BE FOREARMED** by sending at least one representative to the informative 2012 CPCA Christian Education Conference. I pray that each of you will heed this urgent call from me. Blessings in Christ, Dr. Earle E. Lee, President, Proverbs 3:5 & 6.
